To whom it May Concern

I am Writting To you To aske you to stop the notice of motion To dismiss petition For not making the requierement payments For the last Two months (April, May). I am fully aware of that delay Happened unpurposely. The reason; since the begining of March 2020, I was unemployed because all business were shut-down by government due to the Covid-19. While I was Confined at Home I become ~~very~~ ill With the Corona Virus; then I was Hospitalised for a quiet of time at ST Barnabas Hospital, Short-Hills, New-Jersey; then I was discharged May First 2020. Also I had To stay Confined at Home an other Four Weeks For recovering. Today I am alive, receiving unemployment benefit and being abable To resume my June payment. (see copy.) Dear, Trustee, I would deeply appreciate Comprehension if you took in Consideration my view on the motion before the scheduled hearing date of 07/16/2020.
